Rompers - ages 3 - 6

Wednesday, July 26 | Remember the Alamo
Let’s take a leap back in time and learn about the history and heritage of San Antonio through art, song and storytelling. Campers will get to build their very own Alamo, enjoy a nature walk outside and hear stories and songs from Native Spanish Americans about the beginning of San Antonio.

Thursday, July 27 | Cardinal Health Boot Camp
“Attention!” Calling all campers to boot camp! San Antonio is known for having one of the largest military installations in the United States. To emulate this we started our very own boot camp! With the help of some of our military friends, campers will crawl, hop and jump through obstacle courses and activities. Moving through the ranks is hard work, so afterwards all our little soldiers will retire to an ice cream social complete with a one-of-a-kind magic show.

Friday, July 28 | Ride ‘em Cowboy
Don your cowboy hats and join us for a yee-haw time of ropin’ and ridin’ at the Romper Rodeo! Campers will get to try to rope their own “horse” for prizes, pan for gold and participate in some fun sack races. The day will be complete with a real pony or donkey ride. If riding isn’t your style, the furry friends will be available for a pet instead!

Saturday, July 29 | Superheroes!
Pow! Zam! Calling all superheroes! Join in for a day of “super” fun as we turn ourselves into our favorite superheroes. There will be a “create a cape” station, a face painter to help us disguise our faces and fun stations to test our superhero powers. Later in the day, you’ll have a chance to meet some of your favorite heroes as they visit and tell some fun stories!
Adventurers - ages 7 - 11

Wednesday, July 26 | Tejas Rodeo
Both the Adventurer and Explorer groups will head up to Texas Hill Country to experience a live rodeo. Campers will be entertained by barrel racing, roping and formation riding. Long horn cattle are also part of the rodeo experience. A barbeque lunch and line dancing will cap off the day at Tejas Rodeo!

Thursday, July 27 | Mission San José and Mission Concepción Tour/Battle for Texas: The Experience
A trip to San Antonio would not be complete without visiting a few of the historic missions. Campers will enjoy a guided tour of Mission San José. This mission was restored in the 1930s and became a state landmark in the 1940s. Mission Concepción is the oldest unrestored stone church in America, standing over two centuries old.

Battle for Texas: The Experience is an interactive experience. Campers will move through the battle with the sights, sounds and smells of the 13 fateful days that gave birth to the great state of Texas.

Friday, July 28 | Doseum/Texas Transportation Museum
The Doseum is a fun, bright and engaging hands-on children’s museum. Exhibits like the Big Outdoors offer almost 40,000 square feet of space to run, climb, splash and explore. The Sensations Studio explores physics with light and sound. The Innovation Station allows campers to use their imaginations to create and build simple machines. The Spy Academy asks children to use mathematical skills to solve their way through covert missions.

The Texas Transportation Museum has a collection of buggies, cars, fire engines and trains from all eras. Campers will get to board a train for a fun ride down the tracks, climb on an old fire engine and tour through a Pullman Sleeper car from the 1920s.

Saturday, July 29 | Breckenridge Park Hike and Japanese Tea Garden/Altitude Trampoline Park
Breckenridge Park is a jewel of San Antonio. Campers will take a shaded hike through a paved trail and explore the awe-inspiring Japanese Tea Garden.

Altitude Trampoline Park is ready to show our campers a jumping good time. With 20,000 square feet of wall to wall trampolines, a foam pit and jump and dunk basketball, campers will close out Camp Cardinal Health with two hours of fun!

Market Square Shopping is the perfect place for campers to find great souvenirs. Market Square, the largest Mexican market in the United States, is a three-block outdoor plaza lined with shops, and restaurants in downtown San Antonio.
