Pharmacist course Pharmacist and Pharmacy Technician course

Educational programming for the 2018 Cardinal Health Retail Business Conference is accredited by the National Community Pharmacists Association (NCPA), with the exception of "Delivering Medication Management Services," "Pharmacy-Based Immunization Delivery," "Pharmacy-Based Travel Health Services" which are accredited by APhA, and "NACDS Point-of-Care Testing," which is accredited by the NACDS Foundation. NCPA, the American Pharmacists Association and NACDS Foundation are accredited by the Accreditation Council for Pharmacy education as providers of continuing pharmacy education. Specific program credit is delineated in the individual program summaries.

Friday, June 29
